TO WHOM IT MAY CONCERN,

My name is Kayanna Lovett, national titleholder Miss U.S. United 2025 and Executive Director of KL Teen Pageants. Our initiative serves girls in grades 6–11 and is committed to developing the next generation of confident, capable leaders. Unlike traditional pageants, our six-week program blends pageantry with leadership development, confidence coaching, and character-building experiences to equip each girl with tools that last far beyond the stage, making KL Teen Pageants Houston's most empowering teen pageant.

This year, we are incredibly proud to launch our very first pageant, Miss Houston Radiance Star 2026, taking place on July 19th, 2026. As we open the doors to this inaugural event, we are seeking meaningful partnerships with businesses, organizations, and community leaders who believe in creating spaces where young women are seen, supported, and inspired to shine.

As a newly founded organization, sponsorship support is essential to building a strong foundation that ensures every girl, including those from under-resourced communities, can participate regardless of financial barriers. Your partnership helps provide mentorship workshops, leadership training, production costs, and thoughtful gifts and prizes so that every participant feels valued, celebrated, and empowered. At KL Teen Pageants, everyone leaves a winner.

We welcome support in many ways. In addition to financial sponsorships, partners may also contribute through in-kind donations, services, or products to be included in contestant participation gifts, prize packages, or event experiences. Whether it's professional services, wellness offerings, apparel, gift items, or other meaningful resources, your contribution becomes part of a moment these young ladies will never forget.

We offer a variety of sponsorship packages designed to meet different partnership goals and levels of investment. I would be happy to share our full sponsorship options with you and discuss how your business/organization can get involved. All donations made through the Queens Arete Foundation are tax-

deductible. Your partnership will not only help launch our first-ever pageant but will also help set the tone for the legacy we are building for years to come. We would be honored to have your business be part of this journey from the very beginning.

Thank you for considering this opportunity to make a meaningful difference. I welcome the opportunity to discuss sponsorship levels, in-kind partnerships, or a customized collaboration that aligns with your organization's mission and heart for community. If you are interested in partnering with us or would like to explore how your business can be an asset to this movement, please reach out to us via email at Info@QueensAreteFoundation.org. We would love to connect with you.

With Gratitude,

KAYANNA LOVETT
